

Find the Hidden Words

Instructions:

In each sentence, find the four-letter word hidden across two words. Underline the two words and write the hidden word at the end of each line.

EXAMPLE	Frost glittered on <u>the many</u> windows of Syrett Hall.	<i>them</i>
----------------	--	-------------

A Winter's Tale

1	Silence fell over the little town as night drew across the land.	
2	A huge army of stars trouped across the velvety black sky.	
3	From somewhere in the forest came the shrill hoot of an owl.	
4	The man in the moon slid out from behind silver clouds.	
5	With a smile, he blew glittering moonbeams across the rooftops.	
6	At the stroke of nine, front doors swung open, one by one.	
7	Children took lanterns through the town's cobbled streets.	
8	Their happy games filled the night sky with joyful laughter.	
9	A flock of reindeer gathered over the town on a mountain top.	
10	Waiting for the signal, they silently watched the scene below.
